LGRDD present.

Mr. Tahir Tareen Advocate filed an application under section 16 (1) of Procurement Review Committee Regulations for withdrawal of his appeal. This forum allowed the Appeal however to discourage the practice of withdrawal of appeals imposed the cost of Rs.50,000 (Fifty Thousand Only) on the Appellant.

Furthermore, this forum received minutes of the meeting of CRC dated 15th August, 2025 wherein it transpired that the different bidders filed their grievance before the CRC against the same Procuring Agency and the CRC allowed the applications and declared the procurement process null and void. This Committee also received (8) eight appeals against the same Procuring Agency which shows that this Procuring Agency is consistently violating the BPP Rules 2014 and hence the litigation before different forums is extra burden on the government exchequer.

This Committee directs the Procuring Agency to follow the BPP Rules 2014 in true spirit.

The appeal stands dismissed as withdrawn alongwith the cost of Rs.50,000 (Fifty Thousand Only) on the Appellant.
