

GOVERNMENT OF BALOCHISTAN

PUBLIC PROCUREMENT REGULATORY AUTHORITY

B-PPRA/ M & E/MONT/01-/2025/ 2132-35

Quetta the, 22nd September 2025

All Secretaries,

Secretary Local Government.

Government of Balochistan,

Quetta.

Subject: Analysis of Procurement Trends – Fiscal Year 2024-25.

In pursuance of the directions of the 16th Board of BPPRA, held on Friday, 19th September, 2025, the undersigned has been directed to share the consolidated procurement analysis data for the Fiscal Year 2024-25. A detailed review of the data has revealed three critical areas of concern which undermine the transparency, competitiveness, and effectiveness of the public procurement process.

1. Limited Competition: It has been observed that in 36% of all the tenders published during fiscal year 2024-25, only a single bidder participated. This reflects limited competition, which is inconsistent with the principles of fair procurement and value for money. The list of such tenders is annexed as Annex-I.

2. Bid Evaluation and Rejection: In a significant number of tenders, although multiple bidders participated, only one bidder was declared responsive during the evaluation stage. This outcome raises concerns about the clarity of tender documents, appropriateness of technical specifications, and the objectivity of the evaluation process. The relevant details are attached as Annex-II.

3. Probability Non-Competitive Practices: It has further been noted that certain Procuring Agencies have repeatedly evaluated the tenders in favour of a single bidder across multiple procurements. This pattern indicates the probability of non-competitive practices and requires immediate corrective measures. The list of such instances is annexed as Annex-III and Annex-IV.

In light of the above, all Administrative Secretaries are requested to scrutinise the data in order to find probable malpractices if any and direct their respective Procuring Agencies to review their procurement practices. It is imperative that Procuring Agencies ensure broad-based competition, adopt transparent and objective evaluation processes, and remain fully compliant with the provisions of the Balochistan Public Procurement Rules, 2014.

This communication is being issued for attention and necessary action.

(Noman Razzaq)
Assistant Director M&E
(BPPRA)

Copy forwarded to:

1. The Additional Secretary Staff to Chief Secretary, Balochistan.
